## Mirabella Ministry Miracles

(Caroline's testimony)

*“Remember your leaders who spoke the word of God to you. Consider the outcome of their way of life and imitate their faith.” (Hebrew 13:7)*

In October of 2010, Jesus told Caroline to get her testimony professionally made into a video. Caroline was confused about how to capture the heavenly scenes just as she had seen and how much it would cost making the video into DVDs.

As per the verse Luke 1:37, “for nothing will be impossible for God”, Caroline believed that God will

make a way and thought of releasing the DVD in the 2<sup>nd</sup> year anniversary celebration on December 29<sup>th</sup> of that year. However, there were hardly two months left.

On November 19<sup>th</sup>, Caroline recorded her testimony during her talk at a retreat center; however, when she returned home, she realized that the video had not been saved in the video-camera. Having less than a month left, Caroline started getting worried. That is when she got a preaching opportunity at another retreat center where she decided to record her testimony in. However, it was raining heavily on that day and so, there were very few people there. Caroline became panicked and immediately prayed to God to fill the place with people.

**“You make the winds your messengers; flaming fire, your ministers.”  
(Psalm 104:4)**

Within a few minutes, a white van which started taking trips between the train station and the retreat center arrived, bringing many people in. Despite the heavy rain, the retreat center was filled and the testimony was recorded. Alleluia!

**“Now then, stand ready to witness the great marvel the Lord is about to accomplish before your eyes” (1 Samuel 12:16)**

Now, the next question was how the animation scenes were to be done. While contemplating about it, Caroline met a graphic designer named Stephen. She hesitated on whether he would understand and execute the scenes in the way that she wanted it. After praying, she went to Stephen's office and received confirmation that Stephen was a God-sent person.

From December 2<sup>nd</sup> to December 12<sup>th</sup> Caroline and Stephen were to invest their time in the DVD project. Just as they were about to begin with the work, Caroline had some health issues and so, she was not able to meet with Stephen. During that period, Caroline was unsure if Stephen would do a perfect job. Then she started praying Micah's saying, **“show us wonderful signs” (Micah 7:15)**, then on, miracles started happening.

When Caroline went to work with Stephen after her recovery, she saw an angel standing behind the computer guiding her to edit and sequence the video correctly. One day, Jesus told her to include a song in the video. Caroline prayed “Thy will be done Lord”, and on that day God showed her a music director through whom Mirabella's theme song was composed along with the lyrics written by Caroline. That was Mirabella Ministry's first song. Those who listen to the song strongly feel its anointing and blessings. Yes indeed, because the song was from our Lord.

Finally, God asked Caroline to include video clippings of all the places where she had preached as God's presence was with her in all the meetings. She collected all the meeting videos and added it to the testimony video. Thus, the testimony video was completed. Alleluia!

The “Million Miracles” DVD was completed by the expected release date with only God's anointing and blessing, and without the intervention of any human thoughts. Now it is available in English, Tamil and Malayalam.

The DVD explains Caroline's old life, her heavenly visitation, and her encounter with God.
